

## **Baked French Toast:**

1 loaf dense bread

1 package (8 ounces) cream cheese

12 eggs

2 cups milk

1/3 cup maple syrup

cinnamon

You can take the crusts off the bread, but I think it's tastier with them on.

Cube the bread. Layer half the bread cubes in a 12x9 baking pan. Dot evenly with cream cheese, layer the rest of the cubed bread on top.

In a large bowl, whisk the eggs, milk, maple syrup and cinnamon thoroughly.

Pour over bread. Cover, refrigerate over night.

Bake in a 375 oven 45 minutes or until set.

You can also add cranberries, blueberries and other seasonings to your taste such as nutmeg, ginger and allspice.
